Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Mrs. Yang read Father’s speech titled “Saving the Nation.”

“What is true love? It starts when one lives for the world. It’s so simple.”

“My parents got married in the 1890’s and when they were in their 30’s, I was born. This year, I am 93 years old, and mother will be 70. Mother must be completed by being perfectly united with me and going over 70.”

“It is Lucifer that is God’s brother as well as Adam’s brother. 누시엘 (Lucifer) means the seed, represented by 시 (seed is 씨) and the fruit, represented by 열 (열매 is fruit) of humankind, represented by 누 (인류 is humankind). The principle of tradition, blood lineage and resemblance applies to this case too. Humankind was born receiving a false seed. Eve, who was to be God’s wife, made a mistake. The God of Night and the God of Day must have been united, but instead, have been separate. After Eve fell, Adam had a relationship with Eve as she wished. She received the seed of 시동생 (husband’s younger brother) and 시아버지 (father-in-law). There is no such principle of creation.”

“If one knows the tradition, receives the same blood lineage, they must resemble their parents. A simple principle.”

“성 / 聖 / to be holy’ means to become the king of ears and mouth. (Katsumi: 耳 of 聖 means ear, 口 of 聖 means mouth, and 王 of 聖 means king.) The nose is not included here.”

“The amazing fact that the God of Night and the God of Day have been separate was firstly stated by Rev. Moon.”

“Dokdo (독도) looks exactly like my face, which seems to appear and disappear repeatedly by the high tide. 독도 means lonely Unification Church members. (Katsumi: 독 means lonely).”

“Why does 9 X 9 make 81? It should be 91 or 102.”

“천지인참부모정착 /The Settlement of the True Parents of Heaven, Earth, and Humankind.’ This means everything has been done. Before this title, it was 천지부모 천주안식권 /the Cosmic Sphere of Sabbath of the True Parents of Heaven and Earth, which didn’t have 인 (Humankind). 실제말씀 (Substantial Word of God) is something you must be able to enjoy more than your breakfast, lunch and dinner. Have you been intoxicated with it even if you didn’t eat breakfast, lunch and dinner and couldn’t sleep at night?”

“In prison, I slept with my eyes open.”

“Without having three sons, one can’t know the heart of Mother.”

“When you have helicopter accident, you should escape within 17 minutes, and you will die otherwise. That is 13

plus 4.”
